

Campus Resource: Peer Academic Coaching

What can a Peer Academic Coach do for you?

Peer Academic Coaches (PACs) are peers who provide one-on-one consultations that focus on developing successful academic skills and habits. Consultation topics include:

- Time management
- Study skills and test preparation
- Note taking and reading strategies
- Academic goal-setting
- Organizing your college life

English Language Support Programs

Free weekly tutoring for multilingual students!

- Complete your homework faster
- Improve your grades
- Make a friend (tutors are undergraduate students)
- Get advice on how to “do college” (talk to professors, use Canvas)
